

Air Fryer Danmaku Contest #1 - Re: Contradictory Catastrophe

Air Fryer Central will be hosting a danmaku contest starting on December 18, 2022 and ending at January 24, 2023.

One day, something strange happened in Gensokyo. Suddenly, everyone's abilities became the opposite of what they usually were. Cirno was making things heat up, Sanae was causing misfortunes, Yuyuko can resurrect the dead, everything Sagume says becomes true, and... wait a minute, hasn't this happened before?

A retake of RaNGE 13, your goal is to make a boss fight for a character where their ability is the complete opposite of what it is in canon, while still being faithful to their canon danmaku style.

Rules:

1. You can make your entry in any engine, however it must be compatible with at least Windows 7.
2. Entries must have a minimum of 4 patterns and a maximum of 16 patterns.
3. Your character of choice can be from either Touhou or Len'en. Seija and Kuroji are not allowed.
4. Teams of two are allowed, however only one will get tangible rewards.
5. You can do work on assets and system now, however patterns cannot be worked on until the contest officially starts.
6. The deadline for submitting your work is January 24, 2023 6:59 PM. When the contest officially begins a channel will be opened up where you can send your submissions.
